Walnut Village family would like to Welcome...

Thelma Avery has had two surgeries on her hip since breaking it in September, but she is happy to have graduated from a wheelchair, to a walker, to currently, a cane, and she is looking forward to getting her feet back on their own! Thelma and her husband Arthur were married for 56 years. In addition to having one son and one daughter, Thelma has lots of nieces and nephews and many friends. "I have a lot of company!" she says. Thelma has lived in South Dakota all of her life (she moved into the state at the age of two), and taught country school before working as a dietary aide in this very building for 15 years. "I never dreamed I'd be back here living!" she confessed, though she says, "I really like it here. Everyone is so nice, the food is good, and there is entertainment." Thelma enjoys entertainment, and her favorite form is playing pinochle. Welcome to Walnut Village, Thelma!

And welcome to the team, Kelly Hedges! Kelly is the newest addition to the Walnut Village staff. She has lived in Yankton for 12 years, and she and her husband, Chris, have a son and twin 13-year-old daughters, as well as one grandchild. Before coming to Walnut Village, Kelly worked at the state hospital for 7 years. She enjoys spending time with family, especially her 17-month-old grandchild, and she and the family like to go for drives, spend time at the lake, and play pinochle. "It's addictive!" she said. Kelly is thrilled to be a part of the Walnut Village community. "This is a very unique, remarkable, impressive facility," she said. "Very friendly people and I'm really happy to join the team." And we are glad you are a part of it, Kelly!
