# NOTICE As of June 1, 2009 Walnut Village

## **NO longer has any apartments available for overnight guests.**

When we opened for business we were able to provide you the opportunity to let your friends and family stay because we had an abundance of available apartments and this allowed the general public to experience the wonderful environment of Walnut Village first hand. The objective of the business is to rent all the apartments and we have reached the level where it is no longer feasible to allow guests to stay overnight. We are down to only a few Demo Apartments and they need to be available at all times for showing in order to get them rented. Sorry for this inconvenience. *Thank you in advance for your understanding.*

Agnes Houtkooper's Quilt  
is on display in the Dining Room.

*Welcome...Monica Billings to Walnut Village*  
We look forward to learning about you in the near future.

*Getting to know you better... by Kaija Swisher*

**Helen Cory**, a native of Nebraska, Helen Cory graduated from high school, and then headed to Wayne State College, graduating in 1950. She then taught home economics for over 19 years, and has two daughters and one son. Helen moved to Walnut Village in 2006, and she likes how close Walnut Village is to many necessities, especially the clinic and hospital. Helen enjoys quilting, sewing, needlecraft, and music. "I have my piano here with me (in the Great Room), and I try to practice 20 minutes every day!" She says. We're glad you're here, Helen!

**Deana Schultz** will celebrate her third anniversary working at Walnut Village this July. Originally from Gregory, SD, Deana has lived in Yankton since 1998, and she has worked in healthcare since she was 18 years old. With three daughters and two grandchildren, Deana enjoys playing bingo, hanging out with her grandkids, and cooking, as well as her role at Walnut Village. "I enjoy the residents, and Gert and Chuck are very good to work with and for!" she said. We're glad you are a part of the Walnut Village team, Deana!
