Virginia Pederson is no stranger to Yankton. Originally from Freeman, SD, Virginia has lived in Yankton since 1940. She worked as a beautician for 42 years and was the owner and operator of the Elite Beauty Shop. "I like it here," Virginia says of her stay at Walnut Village. "It's been an excellent place for me and my healing." On October 7th, Virginia celebrated her 87th birthday, and though she was in the hospital at the time, she had a wonderful party complete with cake and ice cream. Virginia has one daughter and one grandchild, and she enjoys traveling. In fact, she has been to all 50 states, Mexico, Canada, and Europe. "I'm thankful to God for all the blessings He's given me," she says. And we're thankful for you, Virginia!

Getting to know Charlotte Avenell better...

Charlotte Avenell grew up in Cedar County, Nebraska. She was a teacher there in a one-room schoolhouse, and still hears from some of her former pupils. From there, she and her husband opened the Trucker's Café (now the Lazy D) in 1955, which they ran for 10 years. "When you own something, you do everything!" she said, though she added that the work was very rewarding. Charlotte loves reading, sewing, embroidering, and gardening, but in recent years has started to lose her sight. It hasn't kept her from doing one of her favorite things, though. "My friends say I can smell a double pinochle!" she said. "I've played all my life, and play from memory now. I play for fun." Charlotte loves Walnut Village and is thankful for the people who stop by to play cards. "I have to live with what I have and be thankful," she said. "There's an awful lot of nice people here, and I enjoy them." Though she has lived here for three and a half years, Charlotte can remember these hallways in a different light. "I graduated from high school here 70 years ago," she said. "My room is the old biology room. Who thought I'd come back in my golden years?" We're glad you did, Charlotte!
