Fall Color Tour

On Oct 22nd, 13 residents plus our helper, Betty, took a bus trip to view the fall foliage. Despite the rain and a few snowflakes, it was an enjoyable trip. We crossed to Neb over the new Discovery Bridge, and drove along the river to the Dam and out past the Lake. We returned to town on Highway 50, took the airport road and we drove through a residential neighborhood near the Middle School. Most of those houses had been decorated for Halloween with pumpkins, corn stalks, etc. Coming home, we took Walnut Street and each area had spots of color and interest.
