April Fools Day

April Fools Day sometimes called All
Fools Day is one of the most light
hearted days of the year. Its origins
are uncertain. Some see it as a
celebration related to the turn of the
seasons, while others believe it stems
from the adoption of a new calendar.

George and Kathryn Means

Walnut Village residents and staff would like to give a warm welcome to our newest residents George and Kathryn Means and thank them for choosing to stay with us at Walnut Village. George moved to Yankton when he was 10 years old from Carthage, S.D. Kathryn moved here from Armor. The two met while attending Yankton College, and later got married. From this union was born 3 children, Jim, Berry and Barbara. In 1953 George and Kathryn opened up the Means clothier in downtown Yankton, and ran it for 40 years until they retired. George enjoys sports and reading for a hobby. Kathryn enjoyed gardening and reading until her eyesight deteriorated.
